About Me

I am Vidit, a passionate and results-driven software engineer with strong proficiency in coding, programming, and problem-solving. I am committed to delivering high-quality solutions while continuously evolving both personally and professionally. Guided by the support of my family, friends, and clients, I strive to make meaningful contributions and achieve long-term excellence in the field of software development.

Experience

MERN Stack Developer   Dec 2024 – Jan 2025
Internship at Pyonix Technology | Ahmedabad

Developed a fully functional Admin Panel during my internship using MERN Stack, enabling efficient data management, user control, and real-time updates. Gained hands-on experience in full stack development, API integration, and responsive UI design.

Frontend Developer   Jun 2024 - Jul 2024
Internship at Pyonix Technology | Ahmedabad

Completed foundational internship training in HTML, CSS, JavaScript, and Python. Gained practical understanding of web development basics and core programming concepts through hands-on tasks and guided learning.

Hobbies

Travelling

Music

Binge Movies and Web Series
